FRIDAY

OCTOBER 23rd

6.00 PM – 9.00 PM

SATURDAY

OCTOBER 24th

9.00 AM – 5.00 PM

WHERE:

HAWTHORN, VICTORIA

WHAT:

Do you want to provide the best possible service to your patients / clients?

Do you want to immediately advance your knowledge & skill in treating acute & chronic neck problems of a soft tissue nature?

Do you want more clarification as to when to treat & when to refer when patients present with neurological symptoms?

Do you want more confidence in treating difficult cervical conditions?

Do you want to learn advanced techniques such as Muscle Energy technique to restore mobility & restore facilitation to Cervical joints if their function is impaired by soft tissue dysfunction?

Do you want more knowledge of surface anatomy of this region which will allow you to become much more specific with your treatment?

Do you want to advance your Soft Tissue treatment skills to include simultaneous spinal movement?

Do you want to learn in a fun, relaxed environment and get greater satisfaction from your clinical work?

If you answered YES to any of these questions then this course is for you.

COST: \$235 1½ Day (10 hour) Program

COURSE PRESENTER: Robert Granter.

Rob has had 22 Years experience in Remedial Massage / Soft tissue therapy within clinical sports medicine practice and currently teaches in the Myotherapy program at RMIT University. Rob is regarded as one of the key figures in seeing Soft Tissue Therapy integrated into the Australian Multidisciplinary Sports Medicine Model and was a contributor to the landmark textbook CLINICAL SPORTS MEDICINE by Drs Peter Brukner & Karim Khan.

Rob co-coordinated Massage Therapy services for the Polyclinic and Competition Venues for the 2006 Commonwealth Games in Melbourne and was head of Massage Therapy services to the Australian Olympic team in 1996 and 2000 and the Australian Commonwealth Games team for Kuala Lumpur in 1998.

Rob's courses are well known for their clear, concise and thorough approach and he regarded as one of Australia's most respected Massage Therapists and Educators.
